WHAT? The University Library would like to support you in your studies and in making good use of your knowledge; it will help you locate, select and acquire the information you need from what may seem like a rather daunting mountain of material.

You can use the facilities of the library for studying, research and communication and, in addition, make use of its online services, advisory and training services provided by specialist staff. TUM Library's literature collection comprises 1.8 million volumes and more than 6000 journals covering engineering, natural sciences, economics, medicine and life sciences.

HOW? Every TUM staff member or visiting scientist doing research at TUM is entitled to borrow literature from the library. Before you can borrow material you need to register at the Service Desk of the Library and provide the following documents:

TUM Staff with *PersonalCard*:

PersonalCard + Library Registration Form*

TUM Staff without *PersonalCard*/Non-TUM Staff:

Passport/ID + Service Card + Library Registration Form (stamped by chair)*

* You will receive the TUM Library Registration Form together with your Welcome Package at the Welcome Center after your arrival at TUM.

It is only necessary to register at one of the TUM branch libraries. Registration is only needed once, however, you need to bring your library card/*PersonalCard* whenever you want to make use of the library services.

For more information, please visit the TUM Library Website where you can find out about locations, specific contact details and user information of other TUM libraries: <http://www.ub.tum.de/en>.
