

Impressions Culture and Technology in Germany 2010

Gelu Trisca Eftimie Murgu (University Resita,
Romania)

“Words are not enough to really express what Munich Winter University meant to me on the academic, cultural and personal level. Through workshops and seminars I was exposed to interesting topics for my future research career and the people that I met here (academics, staff, tutors and colleagues) enriched me as a person and scholar. The memories of Munich Winter University will always be very precious to me.”

Blaga Vladkova (Technical University of Sofia,
Bulgaria)

„Unser Aufenthalt in Winter University war sehr wertvoll, erfolgreich und angenehm. Dank der sehr guten Organisation, hat die ganze Gruppe viel gelernt, so viele unvergessliche Sachen erlebt und viele neue Freundschaften geschafft.“

Julijana Cvetanovska (University St. Cyril and
Methodius, Macedonia)

Besides all we have learned and experienced, the strong friendship we made between each other is the thing that will last longest. As some say, there are at least two chances in lifetime to meet one friend. Who knows, one day maybe we meet again in a different occasion but in same positive mood...
