#### § 1

##### Structure of the University

- (1) The Technical University of Munich (TUM) is structured into the Central Institutions and the TUM Schools and Departments.
- (2) The Schools and Departments of the TUM consist of
  - 1. TUM Department of Mathematics (MA)
  - 2. TUM Department of Physics (PH)
  - 3. TUM Department of Chemistry (CH)
  - 4. TUM School of Engineering and Design (ED)
  - 5. TUM School of Management (MGT)
  - 6. TUM School of Social Sciences and Technology (SOT)
  - 7. TUM Department of Electrical and Computer Engineering (EI)
  - 8. TUM Department of Informatics (IN)
  - 9. TUM School of Life Sciences (LS)
  - 10. TUM School of Medicine (ME)
  - 11. TUM Department of Sport and Health Sciences (SG)
- (3) <sup>1</sup>For the purpose of structuring the departmental organization into a system of Schools, this Charter enables the establishment of a School in formation when merging several Schools or Departments into a single School (Art. 19(6) of the *BayHSchG*).  
<sup>2</sup>Organizational units of the School in formation are the Joint School Council, the Board of Deans, and the Board of Study Deans as advisory committees.
- (4) The following Integrative Research Centers assume responsibilities in research, teaching and the advancement

of young academics within the Central Institutions with an interdisciplinary focus extending beyond the borders of individual TUM Schools and Departments:

- 1. TUM Institute for Advanced Study (IAS)
  - 2. Technical University of Munich – Campus Straubing for Biotechnology and Sustainability (TUMCS)
  - 3. Munich School of Engineering (MSE)
  - 4. Munich School of Bioengineering (MSB)
  - 5. Munich School of Robotics and Machine Intelligence (MSRM)
  - 6. Munich Data Science Institute (MDSI)
- (5) Degree-awarding institutions in accordance with the Regulations for the Awarding of Doctoral Degrees (*Promotionsordnung*) include all TUM Schools and Departments set out in Section 2 above and the Integrative Research Centers set out in Section 4 (2) through (6).

#### § 2

##### Equal Opportunity

- (1) <sup>1</sup>TUM is committed to ensuring equal opportunity for women and men, and to furthering a diversity of talents in a balanced manner. <sup>2</sup>In this respect TUM will be guided by international best standards.
- (2) <sup>1</sup>Aspects of equal opportunity are taken into account in university policy strategies and in decisions made by TUM and its structural bodies according to § 1. <sup>2</sup>For all other matters the guiding principles of TUM apply.
- (3) Implementation of the gender and diversity measures will be subjected to quality assurance measures at regular intervals.

## Part 2 Management of the University

### § 3

#### TUM Board of Management

- (1) <sup>1</sup>TUM is managed by the TUM Board of Management. <sup>2</sup>The TUM Board of Management is composed of

1. the President;
2. five elected Senior Vice Presidents in accordance with Art. 20 (1) Sentence 1 No. 2 of the Bavarian Higher Education Act (*BayHSchG*);
3. the *Kanzler/Kanzlerin* (Senior Executive Vice President – Human Resources, Administration & Finance).

<sup>3</sup>A member of the TUM Board of Management as set out in Sentence 2 No. 2 is responsible for "Gender & Diversity".

- (2) <sup>1</sup>The TUM Board of Management may delegate its responsibilities in accordance with Art. 20 (5) of the Bavarian Higher Education Act (*BayHSchG*) to Vice Presidents who are appointed by the President for a term of three years. <sup>2</sup>Reappointment is permitted.

- (3) <sup>1</sup>The TUM Board of Management establishes the TUM Appointment and Tenure Board (ATB) to advise the TUM Board of Management on appointment matters, in particular, first term appointments and decisions on evaluation and promotion. <sup>2</sup>The TUM Appointment and Tenure Board consists of a Senior Vice President (chair) appointed by the President, up to ten TUM professors representing the academic range of the university, and one external professor. <sup>3</sup>The TUM professors and the external professor and one deputy each are appointed by the TUM Board of Management for a term of three years; reappointment is possible. <sup>4</sup>Further details will be set out in bylaws.

### § 4

#### President

- (1) The President bears the honorary title "*Magnifizenz*" while in office.
- (2) <sup>1</sup>If the President is unable to attend to his or her duties, the President will be represented by the permanent representative(s) to be appointed in agreement with the other members of the TUM Board of Management. <sup>2</sup>The President is represented by the Senior Executive Vice President – Human Resources, Administration & Finance in legal and administrative matters, including budget, construction and human resources matters.

### § 5

#### Election of the President

- (1) <sup>1</sup>The President's term in office is twelve semesters including the semester in which the appointment takes effect. <sup>2</sup>Reelection is permitted.
- (2) <sup>1</sup>The Chair of the TUM Board of Trustees conducts the election process. <sup>2</sup>The place and date of the election will be determined by the Chair of the TUM Board of Trustees. <sup>3</sup>Election of the President should take place at least three months before the term in office ends.
- (3) The office of President will be publicly advertised at least two months before the election date.
- (4) <sup>1</sup>The Chairs of the TUM Senate and of the TUM Board of Trustees will draw up a list of proposed candidates based on the proposals and applications submitted, which list is to consist of several persons without any ranking. <sup>2</sup>Persons included on the list of proposed candidates must present a written declaration of consent to their candidacy unless they themselves submitted an application; such consent does not constitute an obligation to accept the appointment. <sup>3</sup>The list of proposed candidates must be provided to the TUM

Student Council and the Research Staff Assembly for their information.

- (5) <sup>1</sup>Members of the TUM Board of Trustees must be invited in writing at least three weeks before the election date. <sup>2</sup>The list of proposed candidates must be attached to such invitation.
- (6) <sup>1</sup>Members of the TUM Board of Trustees will have the opportunity to obtain information about the candidates proposed by the Chairs of the TUM Senate and of the TUM Board of Trustees, and to inspect the application materials. <sup>2</sup>The Chair of the TUM Board of Trustees will convene a meeting of the Board of Trustees at least one week before the election, in which the Chair provides information about the proposed candidates, giving them an opportunity to introduce themselves and to enter into discussions with the members of the TUM Board of Trustees. <sup>3</sup>The TUM Student Council and the Research Staff Assembly will each appoint a representative who may obtain information about the proposed candidates according to Sentence 1 above and participate in the meeting in accordance with Sentence 2.
- (7) <sup>1</sup>Before the election commences, the election officer will establish the quorum, the number of persons entitled to vote who are present, and the number of valid transfers of votes. <sup>2</sup>The election is conducted in secret by way of written ballot. <sup>3</sup>A candidate must be listed on the list of proposed candidates. <sup>4</sup>The vote will take place without debate among or questioning of the candidates.
- (8) <sup>1</sup>Before voting begins, the TUM Board of Trustees will have a secret vote and decide by a majority of the votes cast on acceptance of the list of proposed candidates; abstentions and invalid votes will not be considered votes cast. <sup>2</sup>If the list of proposed candidates is rejected, the election will be deemed not held; the

proceedings set out in Sections 2-12 hereof must be repeated without undue delay.

- (9) <sup>1</sup>The candidate who receives the majority of votes from the members of the TUM Board of Trustees is elected. <sup>2</sup>If no candidate achieves the required majority during the first vote, a second vote will be held. <sup>3</sup>The second vote will be between the two candidates who received the most votes in the first. <sup>4</sup>If neither of the two candidates in the second vote receives the required majority according to Sentence 1, a third vote will be held and conducted in the manner of the second.
- (10) If the list of proposed candidates consists of only one candidate, only one vote is held.
- (11) If none of the candidates achieves the required majority, the proceedings according to Sections 3 to 10 must be repeated without undue delay.
- (12) <sup>1</sup>The elected candidate has to declare in writing to the Chair of the TUM Board of Trustees within one week of receiving notification whether or not he or she will accept the appointment. <sup>2</sup>If the written declaration is not provided within this timeframe the appointment will be deemed refused. <sup>3</sup>If the elected candidate refuses the appointment, the proceedings set out in Sections 3-12 hereof must be repeated without undue delay.

## § 6

### Election of Senior Vice Presidents

- (1) <sup>1</sup>The Chair of the TUM Board of Trustees will conduct the election proceedings. <sup>2</sup>The time and place of the election will be determined in good time by the Chair of the TUM Board of Trustees.
- (2) <sup>1</sup>Senior Vice Presidents may devote their full working time<sup>x</sup> to fulfilling the duties of this office. <sup>2</sup>The decision in this respect will

<sup>x</sup>Full-time/full working time as defined in Art.2(1) Sentence 2 of the Bavarian act on higher education staff (*BayHSchPG*)

be made by the TUM Board of Management.

- (3) <sup>1</sup>The term in office of the Senior Vice Presidents is six semesters including the semester in which the appointment takes effect. <sup>2</sup>Reelection is permitted. <sup>3</sup>In case of premature resignation from office, a replacement will be elected for a full term in office.
- (4) <sup>1</sup>Senior Vice President positions will be advertised within the University no later than two months prior to the election date. <sup>2</sup>The intended sphere of responsibilities should be defined in the advertisement. <sup>3</sup>The deadline for applications is four weeks from the date of publication.
- (5) <sup>1</sup>Separate votes will be held for each of the Senior Vice Presidents. <sup>2</sup>The procedure for the election of the President according to § 5(5) and (7)-(12) hereof applies accordingly to the election of each Senior Vice President.

### § 7

#### TUM Extended Board of Management

In addition to the members in accordance with Art. 24(1) Sentence 1 of the Bavarian Higher Education Act (*BayHSchG*), the following persons are members of the TUM Extended Board of Management with voting rights:

1. the Chair of the Deans of Studies [§ 14(3)];
2. the Graduate Dean of the TUM Graduate School as a representative of the Central Scientific Institutions, who will be elected from among the spokespersons of the Thematic Graduate Centers and Graduate Centers of the TUM Schools and Departments belonging to the TUM Graduate School; the Graduate Dean must be a full-time<sup>\*</sup> professor at TUM with a permanent position; he or she will be appointed by the TUM Board of

Management for a term of three years; reappointment is permitted.

### Part 3

#### § 8

##### TUM University Council

- (1) <sup>1</sup>A TUM University Council is formed to further the interests of TUM in public and to advise and support the University in its work. <sup>2</sup>The TUM University Council supports TUM in the performance of its responsibilities.
- (2) The TUM University Council will consist of up to 25 persons from industry, culture and politics who have a close connection with the interests of TUM.
- (3) <sup>1</sup>The members will be appointed for a term of four years by the TUM Board of Trustees based on a proposal of the TUM Extended Board of Management. <sup>2</sup>Members may be reappointed. <sup>3</sup>Members may not be represented by other persons.
- (4) The TUM University Council will elect a Chair and a Deputy Chair from among its members.
- (5) The Chair will convene a meeting of the TUM University Council at least once per calendar year.
- (6) The TUM University Council may adopt rules of procedure.

### Part 4

#### Governing Bodies and Committees

#### § 9

##### TUM Board of Trustees

- (1) Until the election of a Chair in accordance with Art. 26(4) Sentence 1 of the Bavarian Higher Education Act (*BayHSchG*), the responsibility for the convocation and chairmanship of meetings will be assumed by the oldest member of the TUM Board of Trustees.

<sup>\*</sup>Full-time/full working time as defined in Art.2(1) Sentence 2 of the Bavarian act on higher education staff (*BayHSchPG*)

- (2) Persons who have been awarded the title of Honorary Senator, Honorary Citizen or Honorary Member of the university, as well as TUM honorary professors, may be members of the TUM Board of Trustees in accordance with Art. 26(1) Sentence 1 No. 2 of the Bavarian Higher Education Act (*BayHSchG*).

§ 10  
TUM Senate

- (1) Professorial faculty [Art. 17(2) Sentence 1 No. 1 of the Bavarian Higher Education Act (*BayHSchG*)] from all TUM Schools and Departments will jointly elect the faculty representatives in the TUM Senate.
- (2) The election of faculty representatives must be conducted in accordance with those regulations applying to universities not divided into schools and departments.
- (3) <sup>1</sup>In departure from § 11(4) Sentence 1 and Sentence 3 <sup>2</sup>nd Half-Sentence of the election regulations for public universities (*BayHSchWO*) as amended from time to time, a person entitled to vote in the elections to the TUM Senate may split the number of votes to which he or she is entitled between candidates from different electoral lists. <sup>2</sup>§ 11(4) Sentence 6 of such election regulations (*BayHSchWO*) must be applied accordingly. <sup>3</sup>§ 13(2) Sentence 2 second alternative in No. 7 of such election regulations does not apply. <sup>4</sup>Article 35 of the municipal and district elections act (*GLKrWG*) applies *mutatis mutandis*.
- (4) Until the election of a Chair in accordance with Art. 25 (2) of the Bavarian Higher Education Act (*BayHSchG*), the responsibility for the convocation and chairmanship of meetings lies with the oldest member of the TUM Senate.

§ 11  
Dean

- (1) <sup>1</sup>Deans may devote their full working time<sup>\*</sup> to fulfilling the duties of this office. <sup>2</sup>The decision in this respect will be made by the TUM Board of Management in agreement with the Department Council no later than two months before the electoral roll is closed.
- (2) <sup>1</sup>The Dean's term in office is six semesters including the semester in which the appointment takes effect. <sup>2</sup>Reelection is permitted.
- (3) Election of the Dean takes place together with the university elections prior to expiry of the term in office of the incumbent Dean.
- (4) <sup>1</sup>The Dean is elected directly by the faculty members of a TUM School or Department from among the professorial faculty. <sup>2</sup>The Department Council may determine by resolution that, for a certain term in office, a person may be elected Dean who is not a member of the School or Department concerned; in this case, in departure from § 11(2) Sentence 1, the Dean's term in office will be ten semesters including the semester in which the appointment takes effect.
- (5) Each member of the Department Council is entitled to propose candidates for election as Dean.
- (6) <sup>1</sup>On the basis of the proposals the Department Council draws up a list of several candidates. <sup>2</sup>The Department Council will decide on approval of the list of candidates in a confidential vote by the majority of votes cast. <sup>3</sup>The Department Council will present the approved list of candidates to the TUM Board of Management in order to obtain its consent.
- (7) <sup>1</sup>§ 5(4) Sentence 2 applies *mutatis mutandis*. <sup>2</sup>The list of candidates is to be provided to the Departmental Student

<sup>\*</sup>Full-time/full working time as defined in Art.2(1) Sentence 2 of the Bavarian act on higher education staff (*BayHSchPG*)

Council and the Research Staff Assembly for their information. <sup>3</sup>Where the list of candidates includes persons who are not members of the School or Department concerned (see (4) Sentence 2), the members of the School or Department who are entitled to vote will be given the opportunity to reasonably gather information on these candidates; upon request, all candidates proposed will be given the opportunity to introduce themselves to the faculty members entitled to vote.

- (8) <sup>1</sup>The TUM Board of Management decides on the grant of its consent to the list of candidates proposed. <sup>2</sup>If the Board does not grant its consent, the procedure set out in Sections 5-7 must be repeated without undue delay; the grounds for the decision must be stated to the Department Council. <sup>3</sup>If a list of candidates is not drawn up at least two months before the electoral roll closes, the TUM Senate will prepare the list of proposed candidates based on the proposals made according to Section 5; Section 7 applies *mutatis mutandis*.
- (9) <sup>1</sup>In appropriate cases the list of proposed candidates may consist of one single proposal if it was drawn up by a majority of two-thirds of the Department Council members. <sup>2</sup>The person who receives the most votes is elected, in the case of Sentence 1, the person who receives the majority of votes cast; the total number of votes cast by professorial faculty [Art. 17 (2) Sentence 1 No. 1 of the Bavarian Higher Education Act (*BayHSchG*)], by the Academic and Artistic Staff members [Art. 17 (2) Sentence 1 No. 2 of the Bavarian Higher Education Act (*BayHSchG*)], by other employees [Art. 17 (2) Sentence 1 No. 3 of the Bavarian Higher Education Act (*BayHSchG*)] and by the students will be weighted in the ratio 6:2:1:2; in case of a tie the decision will be made by drawing lots. <sup>3</sup>Unless otherwise determined herein, the election regulations for public

universities (*BayHSchWO*) apply accordingly.

- (10) <sup>1</sup>If Deans resign before their term in office ends, a replacement will be elected at the next university elections for a full term in office. <sup>2</sup>Until such elections the Vice Dean will assume the office. <sup>3</sup>However, in the TUM School of Medicine a successor will be elected immediately after the Dean resigns from office.
- (11) The Dean will submit an accountability report in accordance with Art. 28(3) Sentence 2 No. 8 of the Bavarian Higher Education Act (*BayHSchG*) to the Department Council and the TUM Board of Management.

## § 12

### TUM School of Life Sciences

- (1) The governing bodies of the TUM School of Life Sciences are
1. the Dean;
  2. the School Executive Board (Faculty Board in accordance with Art. 19(4) Sentence 3 2<sup>nd</sup> Half-Sentence of the *BayHSchG*);

(4) The representative of the Departmental Student Council has one vote in the TUM

Student Council per 3.5% of the students registered at TUM and belonging to the Departmental Student Council of the representative's Department or School; however, at least two votes.

(5) <sup>1</sup>At its first meeting, the TUM Student Council will elect, from among the elected students' representatives of the TUM Schools and Departments by a majority of its members entitled to vote, three Heads who will perform their tasks in their areas of responsibility as set out in the corresponding bylaws. <sup>2</sup>The TUM Student Council should elect, by a majority of its members entitled to vote, a deputy for those areas of responsibility tasked with higher education policy and higher education governing bodies. <sup>3</sup>The TUM Student Council may remove each Head or Deputy Head from office by electing a successor. <sup>4</sup>Details on the election of the Heads of the TUM Student Council and their deputies as well as the appointment of spokespersons and delegates of the TUM Student Council will be regulated by the Council's bylaws.

(6) <sup>1</sup>The term in office of the Heads of the TUM Student Council, their deputies and the spokespersons and delegates of the Council ends on the date on which the term of the TUM Student Council ends. <sup>2</sup>In departure from Sentence 1 above, the TUM Student Council may curtail the term in office of the Council's spokespersons and delegates. <sup>3</sup>Until successors are elected the Heads of the TUM Student Council and their deputies will conduct the business of the TUM Student Council, and the spokespersons and delegates of the Council will perform their responsibilities on an interim basis.

(7) <sup>1</sup>The TUM Student Council is responsible for performing the duties set out in Art. 52(2) Sentence 3 of the Bavarian Higher Education Act (*BayHSchG*). <sup>2</sup>§ 27(10) will remain unaffected. The TUM Student Council may consult other

students registered at TUM for assistance in the performance of its responsibilities.

- (8) <sup>1</sup>The TUM Student Council may convene a meeting of all students at least once per semester. <sup>2</sup>No lectures or courses will be held on the day scheduled for one meeting per semester; the date and time of such meeting will be agreed upon with the TUM Board of Management; the date and time will be selected to allow the greatest possible number of students to participate. <sup>3</sup>Separate meetings may be held at the Munich, Garching and Weihenstephan campuses for the students concerned.

- (9) <sup>1</sup>The TUM Student Council is entitled to propose student representatives for interdisciplinary commissions and committees. <sup>2</sup>The TUM Student Council will be heard by the TUM Board of Management on matters concerning degree programs and teaching, and by the TUM Board of Management and the TUM Board of Trustees on matters concerning improvements to teaching and the assessment of teaching performance at the University. <sup>3</sup>The TUM Student Council is entitled to state its opinion to the TUM Board of Trustees on the list of proposed candidates for the election of the Chair of the TUM Board of Management and for the election of another member of that Board, and on the proposed candidates for appointment as Chancellor.

#### § 26

##### Head and Spokespersons and Delegates of the TUM Student Council

- (1) <sup>1</sup>The Heads of the TUM Student Council convene and chair the meetings. <sup>2</sup>They conduct the regular business of the TUM Student Council, unless such responsibilities have been assigned to spokespersons or delegates, and perform the responsibilities assigned to them by the TUM Student Council at their own responsibility and execute the resolutions adopted by the TUM Student Council. <sup>3</sup>The Heads will report to the TUM Student

Council on their work, in particular on the utilization of budget funds; the TUM Student Council may debate on such matters.

- (2) <sup>1</sup>The TUM Student Council may assign individual responsibilities to students registered at the University, as spokespersons. <sup>2</sup>In particular, the financial matters of the TUM Student Council will be assigned to one or more treasurers. <sup>3</sup>Section 1 Sentence 3 applies accordingly.
- (3) The TUM Student Council may assign individual tasks that do not fall within the area of responsibility of a spokesperson to students enrolled at TUM (delegates).

#### § 27

##### Departmental Student Council

- (1) The student representatives of a TUM Department or School form the Departmental Student Council.
- (2) <sup>1</sup>If the number of students belonging to a certain Department or School does not exceed 500, the Departmental Student Council will be composed of twelve student representatives. <sup>2</sup>If the number of students belonging to a certain TUM Department or School exceeds 500, the number of student representatives forming the Departmental Student Council will be increased by one per every 250 students. <sup>3</sup>Members of the Departmental Student Council are the students elected to serve on the Departmental Council plus those students in the required number who in the election of student representatives for the Departmental Council were nominated but not elected. <sup>4</sup>The Departmental Student Council will elect a student spokesperson from among its members.
- (3) <sup>1</sup>The Departmental Student Council may convene a meeting of its students at least once per semester. <sup>2</sup>No lectures or courses will be held on the day scheduled for one meeting per semester; the date and time of such meeting will be agreed

- upon with the Dean; the date and time will be selected so that the greatest possible number of students can participate.
- (4) The Departmental Student Council will send a representative from among its members to each meeting of the TUM Student Council.
- (5) The representative on the TUM Student Council will inform the Council about the work of the Departmental Student Council, in particular about debates on the academic and examination regulations and on appointments made in the Department Council; likewise the representative will inform the Departmental Student Council about the work of the TUM Student Council.
- (6) The Departmental Student Council may assign individual responsibilities to students of the University registered in relevant degree programs as spokespersons; further details will be regulated in the bylaws.
- (7) The establishment of more than one Departmental Student Council within one TUM Department or School, or of one Departmental Student Council for several TUM Schools or Departments is determined in Appendix 4 to this Charter.
- (8) <sup>1</sup>If a Departmental Student Council is established for several TUM Schools or Departments, it will consist of subdivisions corresponding to the individual Schools or Departments. <sup>2</sup>The student representatives for the subdivisions will be elected according to Section 2 Sentences 1, 2 and 4. <sup>3</sup>Spokesperson for the subdivision is the student representative on the Department Council who receives the most votes at the election. <sup>4</sup>The student representatives of the subdivisions will elect a spokesperson and a deputy spokesperson from among their members; the term in office ends when the term in office of the Departmental Student Council ends.
- (9) <sup>1</sup>If several Departmental Student Councils are established for one TUM School or Department, they will be elected in accordance with Section 2 by the students of the relevant degree programs. <sup>2</sup>Representatives on the Department Council will be elected separately; they are members of all Departmental Student Councils of the Department or School in an advisory capacity.
- (10) <sup>1</sup>The Departmental Student Council is to attend to student matters relating to the TUM School or Department and degree programs. <sup>2</sup>The Departmental Student Council is entitled to propose student representatives for the commissions and committees of the Department or School; if the Departmental Student Council fails to submit a proposal within one month of having been called on to do so, the Department Council will appoint a provisional representative. <sup>3</sup>In matters concerning degree programs and teaching as well as the evaluation of faculty teaching performance, the Departmental Student Council will be heard by the Dean and the Study Dean. <sup>4</sup>The Departmental Student Council will be reasonably involved in matters concerning the establishment, modification and dissolution of degree programs and concerning academic and examination regulations, in particular their revision and amendment. <sup>5</sup>The Departmental Student Council may voice its opinion to the TUM Board of Management and the Department Council on the proposed candidates for the position of the Dean.
- (11) <sup>1</sup>At least two student representatives with voting rights must serve on committees that debate matters concerning program curricula, academic and examination regulations and the establishment or dissolution of such programs. <sup>2</sup>If no such committee is formed, the participation of student representatives in such matters in a comparable form must be ensured. <sup>3</sup>Opinions issued by student

representatives in such matters must be presented together with the matter to the Department Council, the TUM Senate and the relevant State Ministry; if the vote is decided in opposition to that of the student representatives, the grounds of the decision must be provided in writing.

- (12) <sup>1</sup>The Departmental Student Council may adopt bylaws. <sup>2</sup>These bylaws may provide that subunits be established at the level of one or more combined Professional Profiles.

## Part 7

### § 28

#### Participation on Recruitment Committees

Professors no longer in service, retired professors and TUM Honorary Professors are entitled to serve on recruitment committees.

### § 29

#### Regulations

The TUM Board of Management may, in agreement with the relevant management, adopt regulations for the scientific institutions and operational units of the University, which in particular set out more detailed provisions on the organization, responsibilities and utilization of the respective institution or units.

### § 30

#### Rules of Procedure

- (1) <sup>1</sup>The committees are convened and chaired by their chairpersons. <sup>2</sup>The committees are obligated to meet at the request of either the TUM Board of Management or one third of the committee members.
- (2) <sup>1</sup>A quorum is present if all committee members have been duly invited and the majority of members are present and entitled to vote. <sup>2</sup>When determining the presence and voting rights of members, written transfers of voting rights will be taken into account.

- (3) If no quorum was present in a meeting and therefore a second meeting of the committee is convened to discuss the same matter, this second meeting will be deemed to have a quorum irrespective of the number of members entitled to vote; this must be specified in the invitation to the second meeting.

- (4) <sup>1</sup>Where a representative of a member group is not present, his or her voting right may be transferred in writing for meetings or parts thereof. <sup>2</sup>For member groups with several representatives, the voting right may only be transferred to a representative of the same member group. <sup>3</sup>Ex officio members may be represented by their deputies in office. <sup>4</sup>No committee member may accept more than one voting right transfer.

- (5) <sup>1</sup>The committees decide by a majority of the votes cast in a meeting; abstentions will not be considered votes cast. <sup>2</sup>In the event of a tie vote, the chairperson will have the deciding vote.

- (6) <sup>1</sup>As a rule, committee meetings are not public. <sup>2</sup>In individual cases, the public may be admitted, with the exception of human resources matters.

### § 31

#### University Library

<sup>1</sup>The University Library is a Central Institution of TUM. <sup>2</sup>It encompasses the entire inventory of books of TUM and is divided into the central library and branch libraries, especially for TUM Schools and Departments. In particular cases, branch libraries do not have to be established. <sup>3</sup>The Schools and Departments submit proposals for the establishment of branch libraries for the Schools and Departments. <sup>4</sup>The title selection in the TUM Schools and Departments will constitute the basis of the acquisition of books and journals for the branch libraries. <sup>5</sup>Purchases by the central library and the branch libraries must be coordinated with one another. <sup>6</sup>As a rule, the branch libraries are reference libraries.

## § 32

### Structure of the Academic Year

The ordinance on lecture periods at universities in Bavaria (*UniVorlZV*) applies accordingly to degree programs of TUM offered outside of Bavaria.
