

Being one of the best faculties in Economics in Germany, the TUM School of Management is building a unique bridge between Management and Technology within an international teaching and learning environment. For our **TUM Campus Heilbronn**, the TUM School of Management of the Technical University of Munich is currently looking for a

## **Research Fellow (PhD Candidate) in Finance (m/f/d)**

### **Our Requirements:**

- The candidates should have completed (or are completing) a Master's degree or equivalent in Management/Business, Economics, Business Mathematics, or Information Systems
- Enthusiasm for conducting high quality and innovative empirical research in Finance
- Intellectual curiosity and an interest in pursuing a career in academia
- Strong statistical training and quantitative research methods
- Experience with programming languages such as R, Python, Stata, or Matlab is highly desirable
- Ability to work both independently and as part of a research team
- Good interpersonal and organizational skills
- Superior academic track record
- Excellent English language skills

### **Your Responsibilities:**

- The successful candidate will work under the supervision of Prof. Dr. Sebastian Müller on research, focusing on Asset Pricing, Asset Management, Behavioral Finance, Digital Finance, and/or Sustainable Finance.
- The doctoral candidate is willing to support the teaching activities at the Center for Digital Transformation at TUM Campus Heilbronn.
- In addition, the doctoral candidate will participate in the PhD program of TUM School of Management.
- Moreover, the successful candidate is willing to work on third-party funded projects.

### **Our Offer:**

- A stimulating, dynamic and multi-disciplinary research environment with good resources
- A diverse and demanding job within a modern and prestigious university environment
- Opportunity to work at the intersection of Management and Technology
- The TUM Campus Heilbronn is located in a highly innovative high-tech region in Europe, which is strongly characterized by family-owned companies. The vibrant city offers a unique combination of imperial history and modern life, and is a beautiful place to live and work.
- Depending on qualifications, the attractive remuneration will be based on the Collective Agreement for the Civil Service of the Länder (E13 TV-L)
- Full-time position (part-time possible)

- The vacant position can be filled from the earliest possible date or by arrangement and is initially limited for 3 years.

TUM strives to raise the proportion of women in its workforce and explicitly encourages applications from qualified women. The position is suitable for people with disabilities. Applications from people with disabilities with essentially the same qualifications will be given preference.

## Application Procedure:

If you are interested in working in our team, please send your application together with your CV and supporting documentation to the Technical University of Munich, TUM School of Management, Ms. Charlotte Koch, Bildungscampus 9, 74076 Heilbronn or by email in a single PDF no later than **April 30, 2024** at **[bewerbungen.cdt@mgt.tum.de](mailto:bewerbungen.cdt@mgt.tum.de)** quoting the keyword "Finance".

Your application should include:

- Motivation Letter including (i) your research interests; (ii) your knowledge of and experience with Finance and empirical research; and (iii) your reasons for applying for this position
- CV
- Degrees and transcripts
- GPA, GPA ranking (X/XX), university ranking for your Master's program, IELTS/TOEFL/GRE scores (if available)
- Reference letters or e-mail addresses of two university professors who know you well
- Writing sample (optional)

For more information about the recruitment process you are welcome to contact us at **[bewerbungen.cdt@mgt.tum.de](mailto:bewerbungen.cdt@mgt.tum.de)**. We look forward to your application!

If you apply in writing, we request that you submit only copies of official documents, as we cannot return your materials after completion of the application process.

As part of your application, you provide personal data to the Technical University of Munich (TUM). Please view our privacy policy on collecting and processing personal data in the course of the application process pursuant to Art. 13 of the General Data Protection Regulation of the European Union (GDPR) at <https://portal.mytum.de/kompass/datenschutz/Bewerbung>. By submitting your application, you confirm to have read and understood the data protection information provided by TUM.
