

Postdoc Position (m/f/x) in Entrepreneurship / Family Enterprise

(100%, TV-L E14)

TUM School of Management at TUM Campus Heilbronn invites applications for a Postdoc position (m/f/x) in the area of Entrepreneurship / Family Enterprise at the newly founded Global Center for Family Enterprise (Prof. Dr. Miriam Bird). Expected starting date is September 2024 or by mutual agreement. The scientific employee (postdoc) will be employed on a 100% position at level E 14 TV-L (public sector pay scale). The post-doctoral researcher is expected to work in the area of entrepreneurship / family enterprise. The postdoc position (m/f/x) is limited to 24 months but can be extended for another 24 months (extension is subject to a positive performance evaluation).

About us...

Founded in 2002, TUM School of Management is part of TUM, one of the leading technical universities in the world. With its strong research environment and close ties to industry, the school constantly scores well in rankings, currently listed as the strongest German business school for research, and #9 in Europe for M.Sc. programs on entrepreneurship. The TUM Campus Heilbronn is a dynamic organization whose goal is to achieve excellence in research, teaching and impact. The Innovation & Entrepreneurship department is amongst the leading of its kind in Europe, with over 50 academics at faculty, post-doctoral and doctoral levels who regularly publish in premier outlets such as the Academy of Management Journal, Academy of Management Review, Administrative Science Quarterly, Entrepreneurship Theory & Practice, and Journal of Business Venturing, Journal of Product Innovation Management, Organization Science, Research Policy, Strategic Management Journal, and Social Studies of Science.

We offer...

- the opportunity to get involved in **international research projects (e.g., entrepreneurial teams)** at one of the most **prestigious universities** in Europe.
- the possibility to get engaged in the **international research community** and present your work at international conferences and get support in publishing your work in **leading management and entrepreneurship journals**,
- **unique access to** the accelerator programs at the local innovation center for data collection purposes,
- extension of your teaching skills through **teaching activities** at the Global Center for Family Enterprise and
- provision of **training as well as developmental support** throughout your time at our Center.

We look for...

- a **team player** with completed **PhD degree** (or close to completion) in management, (organizational) psychology, sociology, economics, business informatics, data science, or related subjects,
- with a strong **passion for entrepreneurship and/or family business research**,
- with a **solid knowledge of empirical research** (e.g., quantitative or experimental) methods,
- with knowledge of **statistics** and **ideally machine learning techniques** (e.g., Natural Language Processing) and
- excellent organizational and oral/written **communications skills** (command of the German language is an asset but not a must).

Application

Please send a cover letter (specifying a possible starting date), your CV including publication list (including names of two academic references), and relevant university and work certificates, as well as one published or working paper in one pdf-file to bewerbungen.gcf@wi.tum.de. Closing Date for applications is **July 10, 2024**.

For further information about this position please contact Ms. Tamara Hörtling (tamara.hoertling@tum.de). As an equal opportunity employer, TUM explicitly encourages applications from women as well as from all others who would bring additional diversity dimensions to the university. Preference will be given to disabled candidates with essentially the same qualifications. The position can also be filled by two part-time employees.

As part of your application, you provide personal data to the Technical University of Munich (TUM). Please view our privacy policy on collecting and processing personal data in the course of the application process pursuant to Art. 13 of the General Data Protection Regulation of the European Union (GDPR) at <https://portal.mytum.de/kompass/datenschutz/Bewerbung/>. By submitting your application, you confirm to have read and understood the data protection information provided by TUM.
