

cordially invite you to:

Navigating a fluid economy and financial landscape

by Harvard's M. El-Erian

Mohamed A. El-Erian

President and CEO of Harvard Management Company

Mr El-Erian is responsible for more than \$35 billion in endowment assets! He is one of the most successful long-term investors. In this talk he will share his view on how to navigate through positive and negative financial environments.

Date: Monday, Oct. 22nd 2007

Time: 6 p.m.

Place: TU München, Audimax
