

2NA FISH

See more. Treat smarter.

 Garching, Munich

WE'RE HIRING

Founder's Associate (m/f/d)

Key Responsibilities

- **Investor & BizDev Ops** - Research investors, prep pitches, keep CRM spotless, chase follow-ups
- **Admin & Finance** - Wrangle taxes & bills, process grant paperwork, order lab & office supplies
- **Special projects** - Anything from grant-writing support to deck polishing
- **Tooling & Processes** - Create lean processes for daily ops

Qualifications & Experience

- Clear written & spoken **English**;
enough **German** to navigate forms and suppliers
- Proven **knack for organisation** - spreadsheets, LinkedIn, Google / MS Office are second nature.
- **Proactive problem-solving**: you spot & fix bottlenecks before they hit the founder's desk
- **Eagle-eye for detail** (we'll test it).
- Nice-to-haves: basic biotech vocab, Illustrator/Canva/Figma, prior dealings with German bureaucracy, Finance/business background

What We Offer

You'll be the **right hand to our scientist-founder**—owning investor outreach, keeping our ops engine humming, and tackling ad-hoc projects that unlock the next growth phase.

A role with deep impact:
Your work will help shape the future of cancer diagnostic

€18-22€ per hour
(Werkstudent or Freelance)

Flexible 10-20h/week schedule
2 days per week on-site (Garching)
(Experienced VAs may be fully remote)

Direct access to the founder:
Accelerate your career as the right hand of a biotech startup CEO

Free coffee on site :) 

Join 2NA FISH, a **cutting-edge biotech startup** in Munich, as we transform **cancer diagnostics** through **innovative spatial transcriptomics technology**.

Don't tick every box? If the mission excites you and you've got the drive to figure things out, let's talk!
