FISH**

See more. Treat smarter.

Garching, Munich

# NEED HOLIDAY MONEY?

*Can you **build a website**  
by June 22nd?*

## Key Responsibilities

- **Deliver a fully functional Wordpress website** with great design **by June 22nd, 2025**
- Keep the founder **in the loop 2x/week**
- **Proactively create appealing copy** and designs from existing material
- Handover the project with **documentation**

## Qualifications & Experience

- **Proven track record** delivering Wordpress website projects.
- Clear written & spoken **English**; some **German** preferred
- Awareness & implementation of **relevant regulations (DSGVO)**
- Ability to **issue an invoice as a Freelancer** to get paid
- An eye for modern, **user-friendly and gorgeous design**

## What We Offer

You'll be working flexibly and proactively on your own time to deliver a mindblowing website while keeping founder involvement minimal.

**Munich Startup 2024**  
website on your resumé

**Freelance Lump Sum**  
**Compensation**

**Flexible, mostly**  
**remote schedule**

**Direct access to the founder:**  
Accelerate your career as the  
right hand of a biotech startup CEO

**Free coffee on site :)**

Join 2NA FISH, a **cutting-edge biotech startup** in Munich, as we transform **cancer diagnostics** through **innovative spatial transcriptomics technology**.

Don't tick every box? If the mission excites you and you've got the drive to figure things out, let's talk!
